

CRIME REPORT

(QUARTER 3, 2025 CRIME ANALYSIS.)

EXECUTIVE SUMMARY:

Crime Analysis:

In the last three months, several criminal acts involving police officers have been reported. Some of the specific incidents that were reported include but not limited to:

Theft of police exhibits:

Eight police officers were arrested in Kisumu for allegedly stealing a vehicle that had been reported and booked in at the Maseno Police Station.

Abduction and robbery:

Three police officers in Kiambu County were arrested for allegedly abducting a businesswoman and robbing her of her valuables including hard cash.

Illegal arms and ammunition network:

Four police officers from the Prisons Service, National Police Service and the Central Firearms Stores were arrested for allegedly being part of a wider network that diverted government ammunition and firearms for sale to criminal networks.

Illegal possession and trafficking of firearms:

Six police officers were accused of illegally possessing and trafficking firearms and ammunitions in the Strifton area in the Northern Kenya. The arrests were made in connection with the alleged sale of ammunition in the Loki market.

In quarter 3 of 2025, a total of **11,552** criminal cases were recorded within the sample population. This is a **0.31%** drop in the total number of criminal cases recorded compared to the crime statistics for the quarter 2 of 2025 whereby a total of **11,588** criminal cases were recorded.
